

A cross-sectional view of a mechanical assembly, likely a valve or actuator. The assembly is mounted on a base (1) and a housing (A). The central body (10) contains a piston (12) and a valve (11). The piston is connected to a rod (9) which passes through a seal (8). The valve is connected to a rod (10) which passes through a seal (8). The assembly is shown in a cross-section with hatching for different materials.
